Circular to Parents of Grade I to V

Dear Parent,

Greetings from the NMS-DPS fraternity!

Universal Concept of Mental Arithmetic System (UCMAS) is an International Concept. The basic tool for training in this is ‘the Abacus’. Using abacus, children are trained in basic arithmetic functions such as Addition, Subtraction, Multiplication, Division, attaining Speed & Accuracy. This helps in improving concentration, observation, visualization and imagination. It also develops the memory of the child and their mental abilities to the extreme excellence.

The new session of UCMAS Classes will commence from 12th September 2015, Saturday between 12:00 noon to 2:00 p.m.

The details for the same are given below. You are requested to sign the consent slip and deposit the exact amount at the accounts department not later than 10th September 2015 as acceptance for your ward to undertake the course.

Course Duration : 10 levels (3 months per level totaling 30 months)
Course Session : 2 hours per week
Fee Structure : BD 67/- as course fee and stationery.

For more information please visit website www.ucmasbahrain.com
For any further queries please feel free to contact Ms. Maria Kidwai (UCMAS Teacher-In-charge) via school portal.

Money sent after the said date will not be entertained.

With best regards,

Arun Kuumar Sharma
Principal
