Freedom

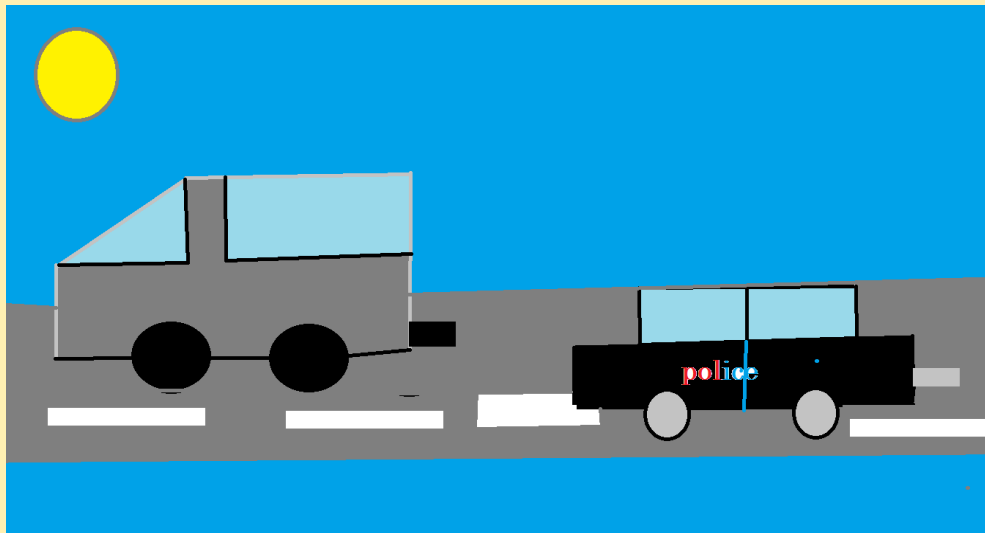

One day my family and I went to a park. There we saw a person selling some birds. There were two birds in a cage which were very cute. So, we bought the two birds. We fed the birds everyday, after coming from school and after playing . We gave them grains and water. We washed their cage every day. One day they met their parents when we took them to a garden for a stroll. They were sad in their cage. So we set them free so they can meet their parents. When they left tears came in my eyes. I realized that it is not good to cage a bird and separate them from their natural habitat.

GOOD FRIENDS

Once upon a time there were two friends. One was Ram and the other was Ivan. They both were very good friends .One day while they were travelling through the forest, a bear attacked Ram. Immediately Ivan took a thick piece of wood and stabbed the bear. The bear ran away. Ram thanked Ivan and both of them continued on their journey. After a few days while they were cycling to school a man tried to kidnap Ivan. Ram quickly cycled to the nearest police station which was just two buildings away and reported .They came in their police car and arrested the kidnapper. After this incidents their friendship increased and they lived happily ever after!

GO GREEN GO GREEN, GO CLEAN GO CLEAN

Go Green Go Green, Go Clean Go Clean

Save our earth by making it green

Don't cut trees

Trees are the best

Never the least

Go Green Go Green, Go Clean Go Clean

SAVE EARTH

SAVE OUR EARTH BY MAKING IT CLEAN.

SAVE OUR EARTH BY NOT USING PLASTIC.

OUR EARTH IS IN OUR HANDS.

OUR EARTH IS CALLED “MOTHER” BECAUSE IT TAKES CARE OF US.

WE LOVE MOTHER NATURE.

HOLIDAYS

Time when you sleep till 11am
Time when you play till 7 pm
Time when you think you get nothing
When actually there are a 100 things

Sounds familiar, so I say
Oh yes! It's the holidays!

You got no homework
No weekly tests
No hours of boringness
You go play
Or just lay
You stay up till late
And then you wait
For the next day
Thinking what surprise awaits

Days go by until the end
When you think about the tests
And hours of boringness
But hey why to think about the end
Because holidays are just about to begin

What a Song, I love to play ping-pong

I'm not dancing
Because my leg is paining

What a song
I love to play ping-pong

In football, I was shooting
My friend in fortnight was looting

I got a knee pain
My friend plays like Harry Kane

I went to Argentina
To play football
And I saw John Cena

In Argentina, I twisted my Ankle
Then someone came to see me
Whose my uncle

He took me to a doctor
Who was a complete starter
He gave a big lecture
And told that
I got a fracture

My mother shouted at me
And my uncle came from sea.

BAHRAIN WORLD TRADE CENTRE

Bahrain World Trade center (BWTC) is a 240-metre-high (787 feet), 50 floor, twin tower complex located in Manama, Bahrain. It was designed by the multinational architectural firm Atkins, and the construction was completed in 2008. It is the first skyscraper in the world to integrate wind turbines into its design. The wind turbines were developed, built and installed by the Danish company Norwin A/s. It is currently the second tallest building in Bahrain after Bahrain Financial Harbour.
