

THE ESSENCE OF CHILDHOOD

PREFACE

Dear Readers,

I feel greatly pleased to present the first issue of our school's E-magazine 2018-19. The e-magazine is a great platform for our budding writers, artists, poets and photographers to showcase their talents and for the students to enjoy reading as a whole. The theme for the June 2018 issue is 'Childhood' because we wanted all of you and all of us to cherish the memories of those golden times and make it a memorable issue. I sincerely hope that you will enjoy reading the magazine and further would like to receive entries from all of you for our forthcoming e-magazines.

Happy reading!

EDITORS' COLUMN

I am extremely proud and happy to announce the launch of the very first E-magazine by the Editorial Board elected for the term 2018-19 .Childhood is a period of life filled with fun, happiness,joy,laughter and memories, a period everyone would love to visit and experience again . Though not entirely possible , we still get to experience pieces of it every time we visit our homeland .And that is why to give everyone an opportunity to refresh and savor their childhood memories to the fullest ,this year we decided to appoint CHILDHOOD as our theme. Through the magazine ,one will not only find poems ,stories,paintings and write-ups describing childhood but also the ones made or written during childhood .This month our collection will allow a person to experience life through a child's perspective. Let us all just become kids again and lead a life without doubts, without worries and full of innocence .Hope you enjoy. HAAPY HOLIDAYS AND BON VOYAGE !!!!!!!-

The Grass

**She looked at the sky,
She let out a sigh,
She shut her eyes,
And she wondered why.**

**Why does it have to be this way?
Why is there a rule book for how everything works?
Why are you who you are?
Why am I who I am?
Why is she who she is?
Why is everybody who they are?**

Why are we here?

**She had hopes as a child,
When she grew up she realized,
The world she trusted
Had cheated on her now.**

**One night she lay her head on the grass
Of the park she would visit with her parents,
All the memories she had swinging from monkey bars
Crowded her mind.**

**She remembered how when she was 5,
She couldn't wait to be 15,
And be as 'free' as all the teenagers.**

**She wished she could go back in time,
And tell the 5 year old to stay young and wild,**

**For one day the 5 year old would face the world
With 10 more years of experience
And look at the sky,
Wondering why**

Why did she have to grow up so fast?

The Sky is blue(2012)

The Sky is blue
Very high too.
The sky is nice to see.
If the sky would be me?

The sky is decorated with stars
which are white
It always come only
at night

When the moon comes in night
The sun gets out of our sight.
The moon has many phases
The stories of moons and suns races

The sky has many colors
It has black and blue
Why sky is high above too?

The clouds are white
But not so at night
I like sunrise red
When the moon goes to bed

Sometimes the sky is cloudy
And the thunder sounds very loudly.

वो दिन

क्या थे वो दिन!

मस्ती भरे वो मस्तमौला दिन।

कागज़ की कश्ती के थे वो दिन।

बारिश में भीगने के थे वो दिन।

जमकर खेलने के थे वो दिन।

न किसी बात की चिंता, न किसी बात का गम

हाँ, ऐसे मस्ती भरे थे वो दिन।

आसमान में उड़ने की होती थी इच्छा

रंग-बिरंगे से, इंद्रधनुष से थे वो दिन।

क्या थे वो दिन!

मस्ती भरे, मस्तमौला दिन।

छोटी-सी बात पर हँसना, छोटी-सी बात पर रोना

मासूमियत भरे, प्यारे-से थे वो दिन।

सपनों में खो जाने के थे वो दिन।

पता नहीं कब और कहाँ खो गए वो दिन

वो थे हमारे सुनहरे बचपन के दिन।

बचपन

बचपन होता है कितना सुहाना,
बस खेलना आर मौज मनाना
वे दिन थे जैसे खज़ाना।
थक कर स्कूल से आना
पर फिर से खेलने चले जाना
बारिश में कागज़ की नाव बनाना
साथ में पकौड़े और समोसे भी खाना।
रंग रंगीली दुनिया में बीता बचपन
बीता है हमारा सुंदर सा बचपन।
