### Transport Fee: (VAT charges if applicable)

**BD 28 per month which is chargeable term wise (except for the month of July and August) and is non-refundable.**

Looking at the lesser number of working days in March due to the Annual Exam, some parents ask for the discontinuation of school transport and a refund of the bus fee for March. As the

annual contract with the transport company does not allow such arrangements and the school has to pay the full amount for the month of March as well, we urge the parents not to make such requests and to cooperate with the school.

Transport fees for grades X and XII students are not accepted in the month in which the students write their Board papers at the exam center in another school. The same once remitted will not be refunded.
